

## Student Loan Interest Worksheet

Minnesota allows a credit and subtraction if you paid student loans. Please provide the following information:

1) Total amount you actually paid toward your qualified student loans in 2025. Taxpayer \$\_\_\_\_\_ Spouse \$\_\_\_\_\_

2) Provide the total amount of all student loans taken out. This is the original amount of all your loans when you originally took them out. NOT THE CURRENT BALANCE.

Taxpayer \$\_\_\_\_\_ Spouse \$\_\_\_\_\_

3) Please provide the student loan interest statements 1098-E. This form reports the interest paid on student loans in 2025.
